Dear Mr. Smathers:

We have received your Freedom of Information Act (FOIA) request for a copy of the FOIA log for all requests made in fiscal year 2013. We assigned your request U.S. Special Operations Command (USSOCOM) FOIA Control Number 2014-012. Please refer to this number should you have any questions concerning your request. Your request will be processed in accordance with the procedural requirements promulgated in DoD Regulation 5400.7-R, which is available on the internet at: <http://www.defenselink.mil/pubs/foi/>. The actual processing time will depend upon its complexity, whether it involves sensitive or voluminous records, extensive searches, consultation among DoD components or other agencies, and our administrative workload.

We have placed you in the "News Media" category for fee purposes. This means you are obligated to pay all duplication costs after the first 100 pages; however, depending on the size of the documents, we may provide the final release on CD.

The USSOCOM FOIA Office processes requests in a multi-track processing system based on the date of receipt and the amount of work and time involved in handling each request. We estimate that it will take six to twelve months to finalize your request.

In the interim, if you wish to discuss this request or have any questions, please send an email to FOIA@socom.mil.

Sincerely,

A handwritten signature in black ink, reading "Phyllis D. Holden".
